

Kio Kio School

Out of Zone Enrolment Policy

1. Purpose

This policy supports the school's SchoolDocs Enrolment Scheme Policy by outlining the process and procedures the Kio Kio School Board follows to manage out-of-zone enrolments (OOZE), in accordance with the Education and Training Act 2020. The aim is to ensure fairness, transparency, and effective roll management while maintaining quality education for all students.

2. Background

Kio Kio School operates an **enrolment scheme** approved by the Ministry of Education. This scheme ensures that in-zone students have guaranteed access to the school while providing a structured process to consider out-of-zone enrolment applications.

3. Maximum School Roll

- The Board of Trustees will annually determine a **maximum roll** for Kio Kio School, based on staffing, resourcing, infrastructure and physical capacity.
 - This cap ensures the school can maintain a safe and high-quality learning environment for all students.
-

4. Class Size Management

- The Board will determine the number of **new entrant enrolments** at the end of each year for the following year, to maintain the overall roll cap and ensure consistent class sizes across the school.
 - The Board will determine the number of **enrolments** for each class and/or year level, to maintain the overall roll cap and ensure consistent class sizes across the school.
-

5. Ministry of Education Priority Order

Out of zone enrolments will be considered in the following priority order, as set out by the Ministry of Education:

1. Students accepted for enrolment in a special programme (not applicable for Kio Kio School).
 2. Siblings of current students.
 3. Siblings of former students.
 4. Children of former students.
 5. Children of Board employees (i.e., school staff) or Board members.
 6. All other applicants.
-

6. Out of Zone Enrolment Timeline

Application deadlines and available places will be communicated to the school community via the school website.

Applications are received by the school office on behalf of the Board by the application deadline. Applications are checked by the school office for completeness upon receipt and returned to the applicant if incomplete.

- The Board considers out-of-zone enrolment applications at the **first scheduled Board meeting of each term (usually Week 3)**.
- Decisions made at these meetings will apply to enrolments for the **following school term only**.

 - Unsuccessful applicants will be given 2 weeks to respond as to whether they want to be added to a waiting list.
 - Unsuccessful applicants may be placed on a **waiting list**, in the order they were drawn in the ballot. The ballot will be drawn during the Board of Trustees meeting.
