## Kio Kio School

21 March 2019

Newsletter #4

Dear Parents and Caregivers

### TEACHERS' PAID UNION MEETING

These meetings did not go ahead across New Zealand because of the tragic event last Friday in Christchurch. This was a mark of respect for the 50 children, men and women who lost their lives in Christchurch on Friday and to ensure schools and ECE services can focus on children and their needs. We will keep parents up to date with any future meetings.

### PARENT / TEACHER / STUDENT CONFERENCES

These conferences will take place in week 10 on Monday 1<sup>st</sup> and Tuesday 2<sup>nd</sup> of April beginning at 2 pm. Each interview will last for 15 minutes. We will be using the online School Interview app for parents to book appointment times to suit. Bookings will open the week before interviews on Monday 25<sup>th</sup> March.

If you do not have online access, Rachel will take bookings in the school office from this date.

### LIONS REACH AWARDS

These students received Lions Reach Awards last Thursday: Congratulations Lovey Latu, Santana Stevens, Olly McMullan, Emily Robertson, Sienna Roberts and Jacob Waldron

They had a brilliant afternoon at the climbing wall with the help of Julian the instructor, the Lions club and parents. This award was in recognition of the values they display in class. Thanks heaps to parents for your assistance on the day.

### BIKE WISE DAY

All our classes had an awesome day with Gina from Project Energise. They learnt some biking skills through the challenging tasks set out. Gina checked that their bikes were in good working order and they had the correct safety equipment. Talking to Totara class students, they said it was really cool and a fun day.

### TRIATHLON

Yesterday's Triathlon was well-organised, which ensured the day went smoothly for all involved. It was great to see the competitive nature to the fore, but more importantly all students giving triathlon a go. Congratulations to the winners in their year groups and a huge thank you to Mrs Telfer for your

organisation, teachers and parents who helped, supporter's committee for running the food stall and to all the students who assisted with the races. Results are on the back of this newsletter.

### SCHOOL DISCO

This is the first event to be run by our school councillors, so it would be great to have as many students as possible attend tomorrow night. A notice went home today with start times and costs. We look forward to having an excellent night with funds raised being used for projects decided in collaboration between the councillors and staff. In the past we have purchased new books for the library and given donations to organisations such as the fire brigade, lions Club and the Harvest Centre who provide their facilities free of charge for our Lions Reach Awards.
