

Tena koutou katoa – Greetings to you all

FAREWELL

Last week we farewelled Emi Tsuruta (Year 8) from Kauri class who has travelled back to her home in Japan. The Tsuruta and Kurihara families have had a long association with our school by attending for generally around 6 weeks each year to experience life in a NZ school. We thank their grandmother Maria Thompson for all her continued support during their stays and wish the Tsuruta and Kurihara families all the best.

COLOUR RUN

Yesterday we ran our first ever fundraising colour run and it was a huge success. To date, the total raised is \$8,800 and fundraising doesn't close until next week. A big thanks to Emma Telfer and the staff for fantastic organisation and to all you wonderful parents and family who came along to join in and support the runners. It was also extra special to have Constable Kat Payne and Bryan King from the Otorohanga Fire Brigade with the local Fire Truck there to cool our athletes down. There were 10 activities to take part in: parkour, sack races, pool noodle run, splat, mission impossible, army run, tyre run, dance party, egg and spoon and waterslide. Children completed as many laps as they could in 40 minutes.

Kowhai - The waterslide was slippery sliding down - you went splat! The colour powder feels so funny!

Lovey Latu - I liked the waterslide because I kept falling on my stomach. My t-shirt looked like a rainbow

Reid Mitchell - It was my birthday and it felt like there was a big birthday party just for me. I really like the parkour because I like jumping and climbing.

Lucy Kereopa - I liked getting squirted on the slip 'n slide it was bumpy and colourful.

Kayden - I liked the sponge throwing because I got in the tub of water. My t-shirt was smudged and looked like a belly flop of colour.

Emily Phillips - The parkour had cool obstacle courses and it was cool when the paint was being sprayed on..

Charlie McGillivray - The waterslide was fun cause you get wet. I got whacked in the face at splat. You got a hundred colours on your shirt.

Aroha Costar - It was like a vibe because music was playing, everyone was having fun.

AGRICULTURAL DAY/GROUP DAY

Attached to this newsletter are the full results from our school Agricultural Day. The rain held off enough to not be too much of a hindrance and students had a great day with many ribbons and trophies won. Thank you to Emma Telfer for organising this event once again and thank you to all the judges, stewards, supporters committee members and staff who made this day possible.

A big thank you to Greenlea, Giltrap Agrizone, ASB, Vetora, V.E Vets, VetEnt and Affco for sponsoring our event. The Group Day results are still to come, but I believe Kio Kio School students represented our school with some outstanding animals and results.

PETER PAN PRODUCTION - WEEK 6

We are back into Production mode with tickets available for purchase from the office for \$5 each.

LITERACY INFORMATION EVENING

Last night Kio Kio School hosted a parent evening for parents/caregivers to attend to explain the structured literacy programme we are teaching throughout the school this year. Our special guest speaker was Carla McNeil from Learning Matters in Te Awamutu. Carla has been working with the staff and upskilling our teachers and teacher aides in the 'Science of Reading'. It was great to have so many interested parents come along and it was a great chance to speak to teachers about the fundamental building blocks of spelling, reading and writing and what that looks like in the classroom and for home learning. Visit our Facebook page to watch a clip that further explains the 'Science of Reading'.

FIREWORKS GALA - FRIDAY 6 NOVEMBER

Our Supporters' Committee is gearing up for this major fundraising event. It is extremely important that we have enough parent helpers to assist on the night. We still need parents to fill some gaps helping at certain activities. Please let the school office know if you can help. Remember, many hands make light work and money fundraised assists us with providing resources and facilities to benefit your children.

PHOTO DAY

Photolife Studios once again took our school photographs today for 2020. A photo code will be sent to school in a couple of weeks time and will be sent home with students once they arrive. This code will enable you to purchase your photos online.

ATHLETICS - WED & THUR NEXT WEEK

Please see attached the information regarding the order of events for both days next week.

ARIA ORIENTEERING

On the last Thursday of Term 3 the senior school entered 10 teams in the Orienteering event run by Aria School. All the students had a great day running through paddocks, jumping creeks and slipping in mud while looking for the different markers.

Kio Kio School achieved some top placings with The Masterminds 1st Year 4 team, Seekers 1st Year 5/6 team, Locate and Recover 2nd Year 7/8 team. Brock Lincoln was the fastest Year 7/8 boy completing the course in 19 minutes and Chloe Usher was the 2nd fastest Year 7/8 girl taking 22 minutes to find all the markers.

Congratulations to all competitors and thank you to all the parents who helped make the day run smoothly.

WHAT'S COMING UP THIS TERM?
